Parent(s) and Guardian(s):

Canyon View High School went on lockdown today after receiving a threat to the campus. Within minutes, the Buckeye Police Department and Maricopa County Sheriff's Office arrived on scene to evaluate the situation. It was determined that the campus needed to be evacuated, so law enforcement could thoroughly investigate the validity of the threat.

The campus is now an active investigation scene and all students and staff have been dismissed. We will be working with law enforcement to determine if there was any student involvement in the threat. We will consult with the Sheriff's Office to determine if school can resume tomorrow. An update regarding tomorrow's school day will be sent after the police investigation concludes this evening, likely after 6pm tonight.

It is our mission to maintain a safe and secure environment for all students, faculty, staff and the community.

Thank you,
Phillip Nowlin
